

# Fire Sweeps Thru Barn On Mystic St.

Five people were forced to vacate a three family home at 40 Mystic st., Monday night when a two alarm fire swept through the 100 year-old Holbrook barn, at the rear of the premises.

The first alarm was sounded at 5:15 p. m. by telephone. As Apparatus from Headquarters neared the scene flames and black smoke were leaping about 200 feet into the air.

Deputy Chief Bert McGreevey sounded a second alarm which brought help from Winchester and equipment from Belmont, Medford and Somerville to cover at vacant Arlington stations.

Cause of the fire which reportedly started under the stairs on the first floor of the barn were not known but fire officials said it was of

suspicious origin.

Chief Richard J. Tierney asked the residents of the adjacent building to leave their home as the fire might spread.

Forced to vacate were; Mr. and Mrs. Carl Paige, Mr. and Mrs. Norman C. Joyall and Mrs. Annie B. Holbrook.

Witnesses said that the fire just seemed to leap out of nowhere and envelope the barn. The Arlington fire department, especially men from Engines one; four, ladder one and special service, were commended for an excellent bit of firefighting under Deputy Chiefs Bert McGreevey and Lorne S. McEwen.

This was the second time within a week that the structure was afire, the first being Monday morning, October 9th.

## Soldier Hurt By Hit And Run Driver

A 21 year-old army recruit was seriously injured Sunday night when struck by a hit and run motorist on the Concord pike near Park St. as he was thumbing a ride back to Fort Devens after a furlough.

The soldier, Francois L. Redman of Jamaica New York was found unconscious beside the road by a passing motorist.

John Lee of Massachusetts, Ave., who found the injured man, called Belmont and Arlington Police.

Officers Walter O'Leary and John Buckley of Arlington with officers, Clarence Forrest, Joseph Cody and Joseph Harrington and Belmont police ambulance rushed the victim to the Symmes Arlington hospital.

Hospital authorities said the man sustained a possible fracture of the pelvic bone.

He told police he was struck by a black sedan while standing in the roadway near the curb, but that he lost consciousness before he was able to get the registration number of the car.

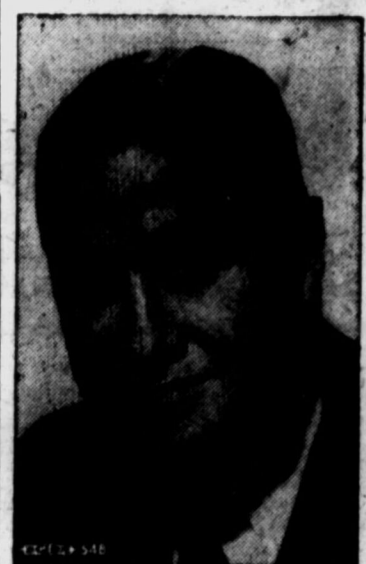

Redman has been in the Army two months and it was his first furlough.

In seeking reelection for a second term, Gov. Paul A. Dever said yesterday that he is able to place before the voters of the Commonwealth, a record of achievement unequalled in the history of Massachusetts.

There is no class of citizens and no section of the state which has not already benefitted by his accomplishments in this two years in office, he said.

As Governor, he said, he has balanced the budget without imposing any new taxes. In fact, he brought about the repeal of two tax laws.

"We have built new roads and

Paul A. Dever

repaired and improved old roads" he said.

In discussing his campaign, Governor Dever said, "We have made a reality of Republican campaign promises of the past in furnishing veterans with housing - giving to them and their families, homes instead of blueprints.

"We have improved the working conditions in all the state.

"We have given to all the citizens better health protection.

"We have given better care to the aged.

"We have already given better recreation facilities to all the citizens.

"We have given the state better schools and better job opportunities.

"My entire administration has been marked by humanitarianism, honesty and efficiency.

"Our achievements, particularly in the matter of better roads and veterans housing, are obvious to citizens everywhere.

"But there is one achievement which has given me more satisfaction than all of these.

"I have given to the mentally afflicted and those in public health hospitals, both young and old, better quarters, better medical and psychiatric treatment, and better care than they have ever received before.

"All the money spent to aid the mentally ill, is already paying big dividends. For the first time, under the expert psychiatric care provided by us, the number of those discharged from our State Hospitals as cured is equal to the number of new cases needing treatment.

"Under the kind of penny-pinching policies of Republican regimes which I have termed "Republican Continued on Page Two

# Campaign Swings Into High As Candidates Issue Stiff Blasts

## Set Date For Inquest Into Fatal Shooting

Chief of Police Archie F. Bullock announced this week that Tuesday, October 24, has been set as the date for the inquest into the fatal shooting of an alleged prowler, by an Arlington police officer, on Monday, October 9th.

The inquest will be held at 10 a. m. in the third district court in East Cambridge and is open to the public, according to the chief.

Ralph E. Borgatti of 14 Whittemore St., an alleged prowler, was shot and killed on Monday October 9th after he had jumped officer Arthur Guarente of the Arlington Police who caught him on the fire escape of a building at 389 Massachusetts Avenue, Arlington.

Chief Bullock said the hearing is being held for the best interests of the officer and the victims family.

## Keenan, Corcoran Hit Opponents Dever Issues Statement, G.O.P. Lines Up Precinct Organization

### Suffers Weak Spell. Injured

Mrs. Roberta Brigham, 65, of 48 Bellflower Rd., Lexington was rushed to the Symmes Arlington hospital Monday afternoon after she had suffered a weak spell and collapsed in Arlington center.

Mrs. Brigham collapsed at the corner of Mystic St. and Massachusetts Ave. She was taken to the hospital in the police ambulance where it was reported she sustained a cut lip from the fall, but her condition was good.

With local candidates issuing strong blasts at their opponents, Governor Paul A. Dever conducting one of the most rigorous campaigns in the history of the Democratic party, and the G. O. P. here re-organizing precinct leaders for the next three week's efforts, the 1950 political campaign got down to brass tacks this week both in Arlington and elsewhere in the state.

Representatives Henry E. Keenan and Lawrence E. Corcoran issued statements attacking their G. O. P. opponents; Governor Dever issued a comprehensive review of his past two years in office, and Harold Magnuson assumed the active charge of the Republicans in Arlington for the state-campaign.

Meanwhile other issues were receiving considerable attention. In Arlington, forces were being organized today to combat the flat rate insurance amendment which would increase the automobile insurance bill of every resident to the benefit of some greater Boston communities and the city of Boston itself. Every voter is urged to register "NO" to this proposal.

Another article coming in for a scathing denunciation is the lottery

bill to provide for increased Old Age Assistance. Local churches were taking a strong stand against this measure, while opponents of the bill were warning that the two proposals, so far as in hand, and that defeat of the lottery measure without defeat of the companion bill would cost the state a huge sum of money.

State candidates of both parties have been active in Arlington.

Interest is developing in the battle for the Senate post between Joseph A. Purcell and Robert Campbell of Medford. The winner will succeed Harris S. Richardson of Winchester.

The battle lines are drawn, both parties are putting on extremely active campaigns, and the period between now and November 7 promises to be extremely active.

## Red Feather Drive Opens With Kick-off Dinner On Friday

More than two hundred workers including solicitors, district chairmen, division heads and officials from Boston headquarters are expected to attend a "kick-off" party tomorrow (Friday) night at the Boys Club to obtain last minute instructions for the 1950 Red Feather Campaign which starts next Sunday.

Daniel B. Tierney, chairman of the 1950 Campaign, last night issued the invitation to all workers who are being mobilized this year for the most important Community Fund drive ever to be conducted in this town. Speakers, in addition to Tierney, will include Elmer Westlund, chairman of the North Metropolitan District Red Feather Campaign; Jack Irwin, secretary of the

same district; Francis Keefe, president of the Arlington Community Chest and Walter Kenney, president of the Boys Club and vice-chairman of the local Campaign. In addition a gala program of entertainment has been planned for the evening.

While the drive has not yet been brought very forcefully to the attention of the community as a whole, committee heads have been busily engaged for the past several weeks in organizing the campaign so that everything will go smoothly during the period of the drive which will end on Thanksgiving eve.

## Hallowe'en Comes Early

Halloween pranks have gotten an early start this year with six residents of the town reporting their clotheslines cut this past week.

Lines were cut at 31 Rockmount Rd; 42 Alpine St; 52 Wyman St; 111 Jason St; 57 Lowell St; and 20 Forest St.

Police warn parents although clothesline cutting is considered a joke by youngsters, it is still against the law and violators will be punished.

## G. O. P. Organizes For Election Drive

An enthusiastic and well-attended organization meeting of Arlington Republicans was held at Republican Headquarters, 430 Massachusetts Avenue, opposite the Monument at Arlington Center, on Wednesday evening, October 11. Representative Hollis M. Gott, Chairman of the Republican Town Committee, presided and made a few opening remarks. The meeting was also addressed by the Republican nominee for the 6th Senatorial District, Robert P. Campbell; the Republican nominee for Representative from the 28th District,

Hallam T. Ring; and the Republican nominee for Representative from the 25th District, William F. Harrington.

The guest speaker was Representative Earle S. Tyler of Watertown, who gave a most inspiring talk on the issues in the coming election and what can be accomplished by a complete and extensive campaign organization.

Vice Chairman Harold E. Magnuson, who had been requested to organize the Republican forces for the coming election, explained the plan of Republican organization for the Town of Arlington, which consists of one Precinct Chairman in each precinct, 8 Division Leaders under each Precinct Chairman, and 4 workers enlisted by each Division in each precinct. The Chairman of the various precincts are as follows:

- 1 - Everett H. Mains
- 2 - Joseph M. Cormier
- 3 - Miss Vivian Wood
- 4 - Harold C. Harlow

Talcott, publicity chairman; James H. Sumner and E. Gerald Grey, assistant publicity chairman; Mrs. Russell T. Hamlet, professional chairman; Paul A. Smith, business chairman and Cur-tice N. Townsend, residential chairman.

The District chairmen are Eugene J. O'Connell, Mrs. N. Norcross Stratton, Mrs. Victoria A. Craig, Robert E. Mahoney, Richard J. Moran, Albert J. Hansen, Edward C. Regan, John J. O'Brien, Mrs. Sydney B. Meserve, Donald A. Pettie, Edward Murphy, Jr., Eugene F. Lawlor, Jr., Ralph J. Hunt, Harold A. Holbrook, Mark Bradford, John N. Loud, John M. Stiff, Edward J. Doffy, Laurence G. Was-sells, Carl M. F. Peterson, John R. Farren, Thomas J. Higgins, William E. Mulliken, Copeland C. MacAllister, Chester H. Rubner and

Norman W. Knox.

Actively cooperating on the drive are Rotary, Kiwanis and Lions Clubs. Each has volunteered to take a proportionate part in soliciting business establishments.

Boy and Girl Scouts, Campfire Girls, Visiting Nurses and other organizations receiving benefits from the Community Fund are sponsoring window displays that will blossom forth throughout the town during the next few days.

Red Feather Day will be observed next Sunday in all Arlington churches by special prayers and sermons after which intensive solicitation will be immediately started in an effort to raise the \$30,400 which has been set as Arlington's quota.

The sum, largest Arling-tonians have ever been asked to contribute, was set because of the increased responsibilities placed on the Community Fund. In addition to its usual contributions to hospitals and other institutions the fund will this year contribute \$300,000 to agencies that will perform the same type of services as did USO in the Boston area.

Wreconomy" the mentally ill were treated little better than animals. "When I took office, I found that 30,000 mental patients were crowded into quarters whose capacity has 25,000. I found 5900 mongoloid children housed in buildings whose capacity was 5000.

"I found that these helpless children were often crowded in with adult insane. I found that feeble-minded children were not being given the kind of care that they needed.

"I found many of the mental hospitals in disrepair, and many of them to be actual fire-traps.

"I found that Republican "wreck onomy" had driven competent doctors, nurses and attendants out of state institutions so that when I took office, there were 200 staff vacancies in the 17 mental hospitals in the state.

"That the Republican administration of Gov. Bradford and the man who now seeks to be Governor, Arthur W. Coolidge were aware of the conditions, is clearly evident from a statement made by Coolidge, then Lieutenant Governor, in January, 1947. At that time, he said,

"Understaffed and overcrowded Massachusetts mental hospitals daily face the possibility of another Coconut Grove disaster. Outside states are hiring doctors and nurses away from our hospitals because of low wages paid here."

"But Gov. Bradford did nothing to alleviate the conditions about which Coolidge complained. And Coolidge did nothing, and he is now indorsed by the same donothing Gov. Bradford.

"Here is what I did, as soon as I took office.

"My first official act was to provide pay increases to all employees at state hospitals. As a result, practically all the 2000 vacancies were filled with competent, conscientious and considerate workers.

"I next made provisions to increase the number of beds in mental hospitals by 3317 beds to relieve the inhuman overcrowding.

"In addition, I segregated the mentally ill children from the adult insane; I separated tubercular from non-tubercular insane and provided special training for the feeble-minded blind.

"What I have done for the mentally ill, I have matched in providing for those suffering from chronic disease.

"The public health hospital at Pondville is being enlarged by 150 beds, and quarters for nurses and staff members are nearing completion.

"We are planing a 600 bed hospital at Forest Hills, a site already acquired.

"We built a new dormitory at the Bradford Infirmary, and made extensive improvements in sanitariums at Lakeville, North Reading and Westfield.

"Nor have we forgotten the hospital needs of our veterans. As I am a veteran myself of World War II, I think I understand the special needs of our veterans. We have already finished a 300 bed hospital at the Chelsea Soldiers

## Off Duty Policeman Captures Quartet Who Sounded False Alarms

An off duty Arlington Police officer captured four juveniles, Saturday night after they had sounded two false alarms five minutes apart.

The alarms brought fire apparatus from, Somerville, Medford and Belmont to Arlington.

The first box was rung in at 7:30 pm. from the corner of Rawson Rd., and the Mystic Valley Pky. Apparatus from fire headquarters, engine two from Highland station and an engine company from Medford responded to the box.

The second alarm from North Union and Norcross Sts., sounded as the apparatus from headquarters was backing into the station.

Headquarters equipment, ladder three from Park Circle engine two from Highland two engines from Somerville answered the alarm as well as an engine company from Belmont which was to cover in at Highland.

Officer Harold O'Leary, off duty police officer, heard the apparatus and came to his front door on Free-

mont St. He saw four boys run past his house and stand near the fire box on Freemont St. The officer grabbed the boys and turned them over to Sgt. George Fitzgibbons, Juvenile officer.

The boys were released in the custody of their parents who were recommended to take proper disciplinary action.

## Recruiting Planned By National Guard

National Guard units throughout Massachusetts will this week inaugurate a recruiting campaign calculated to bring all organizations up to authorized strength within the next several months.

Massachusetts authorities are authorized to enroll an additional 2000 National Guardsmen in the current campaign it was learned from the office of Major General William H. Harrison, Jr., state Adjutant General.

All veteran's organizations are asked to support the recruiting effort in every possible way.

In past campaigns the American Legion, Veterans of Foreign Wars and other patriotic groups, have sparkplugged the drive.

Emphasis will be placed on the advantages of Guard membership, particularly the opportunity offered young men of training with a real military organization while still carrying on with their civilian occupation.

Square Dances  
Start Oct. 26

The overall success of the weekly  
Square Dance program last year  
has prompted this board to renew  
the Square Dance program during  
the coming indoor season.

The Park Department will hold  
a Square Dance on Thursday evening  
each week beginning October  
26, 1933. The recently renovated  
gymnasium of the Junior High  
East will again be the location of  
these dances. From the excellent  
reports received about our personnel  
last year, we will again depend  
upon Dick Delery for calling, Miss  
Kay McCarthy assisting, and Miles  
McNally in charge of tickets.

The dances this year will be so  
conducted that beginners' instruction  
will be held from 8:00 pm. to  
9:00pm. followed by dancing until  
11:00 pm.

We do hope to see all our old  
friends again. Won't you try to at-  
tend our very first dance so that we  
can have a good start? And above  
all mention these dances to your  
friends.

McEvoy Asks All  
Voters Choose  
Men Carefully

Representative Joseph F. McEvoy,  
Jr. of the 25th Middlesex District  
while addressing a worker's meet-  
ing recently stressed the import-  
ance of each voter examining the  
qualifications of each and every  
candidate for public office whose  
name will appear on the ballot on  
Election Day, November 7th. Rep-  
resentative McEvoy who is current-  
ly completing his second term as a  
Member of the General Court is a  
candidate for reelection. An active  
practicing attorney, he is a former  
President of the Board of Alder-  
men and a former President of the  
Somerville Bar Association.

Representative McEvoy stated in  
part:

"The State election on November  
7th will be an extremely important  
one for every citizen of Massachu-  
setts and the candidates elected  
will govern our affairs for the en-  
suing two years. Therefore, for our  
own good and the good of the Com-  
monwealth as a whole we should  
vote only for those men who are  
trained and qualified for the office  
to which they aspire. We should not  
be misled by slogans or catch  
phrases, but on the other hand we  
should take the time and effort to  
inquire into the various candidates.  
If everyone would invest their time  
and effort in such a procedure, it  
would in my opinion return profit-  
able dividends in the form of honest,  
intelligent and good government  
for all of us.

"Appearing on the ballot in ad-  
dition to the candidates for the  
several offices will be certain ques-  
tions that will vitally affect us.  
The majority vote of the people  
will determine the conduct of these  
matters in the future. These im-  
portant questions should result in a  
large vote, as it would appear that  
every voter should want to register  
his or her feelings on these mat-  
ters. If anyone should wish any in-  
formation or have any questions  
pertaining to them, I shall be very  
happy to be of assistance."

Junior Women's  
Club Hears Talk  
By E. W. Davis

The Arlington Junior Woman's  
Club had the pleasure of hearing  
Mr. Ernest W. Davis, ex Town  
Meeting Moderator and a Director  
of the Arlington Cooperative Bank,  
present an interesting talk on the  
importance of voting and the vari-  
ous capacities of the different of-  
ficials of the Town, including Com-  
mittees, and the underestimated  
importance of the Town Meeting  
Members who represent us. A  
lively discussion followed the talk  
at which time everyone had the op-  
portunity to question Mr. Davis  
about the functioning of our Town.

On the Thirtieth of October, at  
the next regular meeting, the  
Blind Circle Members will be hon-  
ored guests. The program that will  
be presented, especially for them,  
will be a completely musical one.

On Monday October 23rd the  
Board Meeting will be held at the  
home of Miss Phyllis Merrill.

Because of the complete success  
of the finger painting instructions,  
which took place at the previous  
meeting, a special group is being  
formed for the members who wish  
to further their artistic abilities.

Charity Ball tickets are now on  
sale for those interested.

New members who wish to join  
may become more acquainted with  
the Arlington Juniors by coming as  
a guest to one of the meetings.

Doncaster Talks  
To New Citizens

Alderman Doncaster, successful  
nominee for Representative for the  
25th District, today congratulated  
those newly-registered voters for  
their high standards of patriotism  
and citizenship. He stated that  
while it was rather unusual to con-  
gratulate a person for doing some-  
thing that one had a civic obliga-  
tion to do, he wanted to make pub-  
lic notice of their fine action. In  
this day and age when persons are  
apt to handle this "precious" fran-  
chise lightly, these persons are to  
be commended.

He urged them to continue these  
high standards and to impart some  
of their evident enthusiasm to  
other voters. The complexity of the  
times has given rise to many and  
serious problems that effect our  
daily life and our individual free-  
dom. The men elected to represent  
them in handling these problems  
must be high-minded men-not pet-  
ty politicians.

In conclusions, Mr. Doncaster  
stated that it is his sincere hope  
that he will be able to meet each  
of the newly-registered voters per-  
sonally prior to the election so that  
each of them may have an oppor-  
tunity to discuss the problems of  
this District.

Boy's Club Proud  
Of Improvements

Another phase of the long-range  
plan of making Arlington Boy's  
Club more attractive and usable  
was completed this week.

The renovations completed this  
Summer and Fall are the fourth  
step in a series which has seen the  
exterior and interior of the Pond  
Lane clubhouse gradually take on  
the real atmosphere of a fine Boys'  
Club.

Simplicity of control, always a  
very important factor in any youth  
work, is of vital interest to the  
trained Boys' Club worker. That  
has been the guiding thesis in the  
renovation work as each summer  
has rolled around.

**LETTERS TO  
THE EDITOR**

In analyzing the public record of  
Representative Hollis M. Gott as a  
member of the Massachusetts Leg-  
islature, the following, incredible  
legislative record is found:

1. While on the public payroll  
for the last eighteen years Mr.  
Gott was absent well over 140  
times, as shown by the record on  
roll calls.

2. Further, the record shows  
that on April 5 and May 25, 1948,  
Mr. Gott voted against the public  
interest and in favor of the organ-  
ized gambling interest in specifi-  
cally voting against increasing the  
State's share of taxes from horse  
and dog racing.

3. Also, in 1947, Mr. Gott voted  
against the cost of living grants to  
recipients of Old Age Assistance.

4. In addition, the public record  
reveals that not only did Mr. Gott  
vote against the Veteran's Bonus,  
but that on June 1, legislation by  
voting against giving war service  
credits in Civil Service promotional  
examinations.

5. Again, on July 8 and 25, 1950,  
Mr. Gott voted against the bond  
issue, an absolute necessity for the  
State Highway Program, an ack-  
nowledged by-partisan measure.

6. Finally on August 2, 1950, Mr.  
Gott voted against a State scholar-  
ship fund for students needing  
financial help.

In summary: Such a record re-  
veals **TAXATION WITHOUT  
REPRESENTATION** of the vital  
needs of the citizens of Arlington.

Very truly yours,  
Lawrence E. Corcoran

Lottery will be legalized as a form  
of gambling within our Common-  
wealth. One great question is, does  
the average citizen want this and  
will he benefit from such a propo-  
sal?

N honest and sincere voter can  
believe that he will benefit from a  
state controlled lottery. In the first  
place here will be need for addition-  
al state employees to operate the  
lottery booths set up in towns  
across he state thus providing in-  
creased political patronage for any  
party in power. A lottery would  
drain off money for useless pur-  
poses from people who could be  
spending their money for some-  
thing needful. It will not provide,  
therefore, for old age assistance to  
the extent anticipated and would  
further continue the idea of get-  
ting something in return for very  
little. Certainly support for our  
aged should have a more noble  
foundation.

But the final test is, can a  
thoughtful citizen say that he  
would want his State to operate as  
a professional gambler in the pres-  
ence of his children and all the  
younger generation? Will he wish

# Jewish Drive Final Lap For

Entering the last lap of the 1950 campaign, the Women's Division of the Combined Jewish Appeal is devoting this week to completing the task of contacting thousands of contributors.

In each of 29 Greater Boston communities, workers are staging an intensive "clean-up" effort to see that no contributor is overlooked. Campaign leaders are striving for 100 percent coverage before the Women's Division final report meeting to be held on Wednesday (October 25) at the Hotel Bradford, Boston.

"We urge every Jewish woman to give—to give generously and to give on her own," declared Mrs. Carl Spector, Women's Division Campaign Chairman. "Only if each of us does her part can we achieve the \$7,690,000 set as the goal of the 1950 Combined Jewish Appeal campaign."

Reporting that the Women's Division workers have met enthusiastic response, Mr. Spector asked that gives continue this record of cooperation. "If you have not been called upon, please mail your contribution to Combined Jewish Appeal Headquarters at 72 Franklin Street, Boston, or call LI-berty 2-8080, and we will arrange to have a worker in your neighborhood call at your convenience."

Chief beneficiaries of the drive are the United Jewish Appeal, maintaining relief and reconstruction programs in Israel and in Europe, and the Associated Jewish Philanthropies, consisting of 22 Greater Boston health and welfare services. In addition, close to 200 national and overseas agencies are supported through this one drive.

## Arlington Wins Over Brookline By 33--7

By Frank Mahoney  
Saturday afternoon Arlington served notice on Waltham and Weymouth that it was not to be counted out of the class "A" race.

The mountain men of the Red and Grey led by swivel hips Don O'Brien rolled over a winless, and highly outclassed Brookline High, 33-7, before some 5000 fans at the Warren A. Pierce stadium.

**SCORE EARLY**  
The heavy Arlington squad opened the Saturday romp by scoring in the first two minutes of play, O'Brien carrying from the Arlington 45 to pay dirt.

Brookline gave evidence that it was going to put up a battle by fighting its way up the field for a score about half way through the first period. Their fight was apparently taken out of them after this march for they never neared the Arlington goal line in the following three periods.

**INJURIES RAMPANT**  
The lighter Brookline squad suffered many injuries during the course of the game having to remove six men from the field. The Arlington squad had two of its men placed on the wounded list, Don Dolan and Paul Huprich. Neither of the men were reported as seriously injured.

own twelve and getting it out to their 29 before being forced to kick. The ball was fumbled and Arlington recovered.

Arlington went to work with the ball on the opponents 29 and smashed down to the 14 when they lost it on downs.

Brookline took over but fumbled on the second play and O'Brien recovered for Arlington on the Brookline 25.

Kenealy decided to take to the air but his first pass was not good and on the play Arlington was penalized for illegal use of the hands.

The fifteen yard penalty put the ball on the Brookline 35. Kenealy attempted another pass and it again failed. On the next play Kenealy passed again and it connected with Salisbury on the Brookline 45 and he went all the way for the second score. Arlington led 13-7 after Oppedisano made the conversion.

Arlington kicked off to Brookline who received the ball on their 45. A pass from Higgins to Bowers put the ball on the Arlington 44 and Reddick carried to the 18. A five yard penalty for delaying the game was imposed on Brookline laying the ball on the Arlington 23. The Red men tried a pass on the fourth down but it failed and the half whistle blew.

**TWO MORE FOR US**  
Brookline was on the receiving end of the kick as the second half opened taking the ball on their own five and running it to their 23. They got the ball to their own 35 when Ray Hayes raced in and intercepted a pass.

Arlington took over and O'Brien marched to the Brookline 27 and then in two more tried went to the 21. Salisbury carried to the 17 and Muello with a host of blockers raced over right tackle and was headed for the white markers when a Brookline man loomed up in front of him. Bob Theiler ace left guard threw a beautiful block and cleared the way for Muello who scooted over for the third TD. Kenealy kicked the point and the score read, Arlington 20, Brookline 7.

With the ball on Brookline 45 Muello and O'Brien carried it to the five. A fifteen yard holding penalty put the ball back on the 21. O'Brien went to the sixteen. On the next play, Kenealy took over and ran across field looking for a pass receiver. He could not find one so he reversed his field and raced for another Arlington score. The kick was good and Arlington led 27-7.

**ARLINGTON SERVES NOTICE**  
A bedragged Brookline eleven took the field for the fourth quarter and it was not long before Arlington scored again serving notice on the league leaders that it was not yet out of the championship race.

Arlington took over the ball on the Brookline 30 yard line. O'Brien tried to crash the line but failed. On the next play Bill Kenealy faded and passed to Paul Salisbury who went 70 yards for the final tally.

## "Here's the Pitch"

By "Bump" Hadley  
WBZ, WBZ-TV Sportscenter and Former Major League Pitcher

SOME OF MY radio and television fans didn't like it too well when I picked the Yankees to beat the Phillies in four straight games and some of the mail I received should have been printed on asbestos paper. But there was no sentiment attached to the picking. The Phillies definitely had lost their spark when Curt Simmons was called into the Army, and it was only the fact that the Whiz Kids had piled up their big lead before Simmons departed that enabled them to get into the Series at all.

As a matter of fact, either the New York Giants or the Boston Braves would have made a better showing against the Yankees than did the Phils. I don't believe that the Brooklyn Dodgers would have been too dangerous in the series because they didn't have the pitching. But both the Braves and the Giants had the kind of pitching that wins World Series.

The Braves had Warren Spahn, Johnny Sain and Vern Bickford, the Giants could have tossed in Sal Maglie, Jim Hearn and Larry Jansen. What's more, both the Braves and the Giants might have been tougher on the Yankee pitching than the Phils were.

The Phils were sentimental favorites because of their youth and because they hadn't won a pennant for 35 years. But sentiment is a poor substitute for base hits. And you need base hits to win ball games.

The Phils did get pitching, but the fact that they were a tired ball club showed up in their hitting.

making the score Arlington 33, Brookline 7.

The second squad took over and held the Brookline team for the rest of the quarter.

## Winchester Eleven Drubs Stoneham In Fifth Straight Win

Reversing its customary procedure of eking out wins by small margins, Winchester High School's undefeated and untied football team thrilled a home field crowd Saturday afternoon with a show of offensive power as they submerged scrappy Stoneham High under a 39-2 avalanche.

Joe Donlan, who has been scoring when Winchester most needed touchdowns paced the team to its win with one of his most scintillating performances of the fall. Joe twice tallied against Stoneham, and his work set up another touchdown. Bob Johnson and Bob O'Brien teamed up with Donlan in the backfield, while quarterback Jost Michelson, hero of last week's victory handled the team flawlessly. A substitute back, Ed Serieka, also contributed to the scoring parade with a 35 yard end run.

Winchester opened the scoring in

the first period, with Donlan setting the pace as he tossed a neat pass 25 yards downfield to Tony Cirurso to put Winchester within striking distance. Johnson powered over for the tally.

In the second period, the Winchester team really began to show the power which previously had appeared only in spots. Donlan scored the second touchdown, first of four in the period, as he sliced 11 yards.

Bob O'Brien culminated a scoring march as he plowed through center for the third tally. A pass from Stu Thompson enabled Bob Flaherty, right end, to score the next touchdown, and Serieka went 35 yards around end for the fourth.

In the third quarter, Winchester marched 95 yards, Donlan winding up his afternoon by going about 10 yards for the score. Smith added his third conversion in six tries.

The Stoneham score came as the forward wall of the visitors broke through in the second quarter to block a kick by Serieka, the ball rolling out of the end zone for an automatic safety.

Winchester's win kept them in the Class B. Title fight, with an unblemished record for the season.

## LITTLE THINGS TELEVISION - RADIO - HOLLYWOOD By GEORGE LILLEY

NEW YORK, N. Y.—One of radio's best musical programs, "The Railroad Hour," is back for its third fall-winter season, Monday nights, NBC. Presided over by baritone Gordon MacRae, this one offers adaptations of well known musicals and operettas. In the up coming schedule: "Allegro," "Roberta," "Countess Maritza," "Revenge With Music," "Show Boat." Young (29), good looking MacRae, a recent movie find, appears on the program as singer and leading man of each week's production, as well as master-of-cere-

Nadine Connor Gordon MacRae Dorothy Kirsten Lucille Norman monies. An East Orange, N. J. fellow, he got his start as a Radio City page boy. On the same job was another young singer, Earl Wrightson, currently of the Metropolitan Opera. Well known girl singers will continue as "Railroad Hour" guest stars, Nadine Connor, Ginny Simms, Dorothy Kirsten, Lucille Norman, among them. The show's vocal chorus is directed by Norman Lubnoff; Carmen Dragon, an Academy Award winner for his music in the movie "Cover Girl," conducts the orchestra.

### KATE'S A PICTURE NOW

A number of radio stars fear once-a-week appearances on television. They might wear out their welcome; it might be too burdensome. But not Kate Smith. A frozen orange juice company first signed her to a television program (Thursday afternoons, NBC-TV). Other sponsors rushed in so quickly that the "The Kate Smith show - TV" expanded into a full hour, Monday through Friday, before the first went on the air. Kate, appearing with Ted Collins, sings, offers variety acts, household hints, human interest stories, news and interviews. For the "ong-stress, Greenville, Va. born, ashington reared, it is her 20th year on the airwaves. She is single, likes parrots. She keeps two in her Park Ave. apartment. They greet her with "Hello, baby."

### NEW RANGE FOR "HOPALONG"

"Hopalong Cassidy" is riding a new radio range—Saturday nights, CBS. In the person of Bill Boyd, 52, "Hoppy" is quite possibly the most phenomenal name in America today. Created in 1907 by a New York office clerk, Clarence Edward Mulford (he never saw the West until 17 years later), "Hopalong" has been in the movies since 1934. He made over 65 pictures but it was not until last year that he really hit his stride. Suddenly everybody wanted "Hoppy" - TV, radio, comic strips, apparel manufacturers, circuses; makers of soap, candy, wallpaper and dozens of other items. The black-shirted hero isn't just a boy's idol. A good part of his radio and TV audience are parents. And 39% of "Hoppy" apparel items, a sales check shows, are bought by for the girls.

## KEENAN GIVES ANSWER TO RING CHARGES

In answer to statements recently made by you in the local PRESS wherein you stated: "Restore responsible government for all."

Your legislative record of four years, made by yourself and not a party record is a poor example of responsible government. Constituents of your party, liberals of my party and independent voters gave you a four-year opportunity to serve as Representative for the 28th Middlesex District. In those four years, you produced no legislation for the benefit of your district nor for the State as a whole. You did, however, produce an outstanding absentee record for not attending to your duty, and collected your salary and travel expenses from the taxpayers, for whom you now shed "crocodile tears."

Upon the completion of your first term, I opposed you because of this "do nothing" record that you made yourself. As a lifelong resident of the town, a business man and a taxpayer, I felt that many of us were not getting a fair break. Your second term record for lack of attendance to duty was worse than your first. The only legislation that you filed and attempted to get enacted was for your own personal, selfish interest. I refer to the Bus Shelter at Arlington Heights, which was turned down by your own townspeople at a town meeting, and by the Legislature and the Committee on Metropolitan Affairs of which you were a member. Your other attempt was to change the law to allow nurses graduating from your institution or similar institutions to go recorded as Attendant Nurses.

This legislation was opposed by good, legitimate, well-served hospitals, and was soundly beaten in Committee before it even reached the floor of the House. I ask anyone, is that "responsible government for all?"

Another of your attempts to serve the people of your district was to sell the taxpayer down the river and have them adopt the Coolidge Report and pay \$85 a share for Boston Elevated stock when the Elevated directors had filed with the Federal Government, on August 29, 1947, the facts that the assets of the road amounted to \$82,164,185 and that the liabilities

## Proclamation PROCLAMATION

The Board of Selectman yesterday issued a proclamation to observe Tuesday, October 24, as the founding of the United Nations Charter.

It asked that all the bells in Arlington be rung at 11 am. Tuesday to remind the people of Arlington to join the rest of the nation in a prayer for the success of the U.N. in its striving for peace.

totalled \$86,590,319. On the strength of those facts it was evident that the Elevated, instead of having any value at all, was defunct by the amount of \$4,426,134 and that its common stock, instead of being worth \$85 a share, was actually worth nothing, or, to be exact, was worth minus \$16 per share. In other words, you recommended and voted that the taxpayers of the fourteen cities and towns, Arlington included, should pay more than \$20,000,000 for a transportation system which, on the basis of your own statements in a report published by a committee of which you were a member, was absolutely worthless at the time. That is your definition of "representative government."

Let the Voters of the 28th Middlesex District compare my record of 100 per cent attendance and progressive legislation that they can actually see going on - in and around Arlington at the present time, with your "do nothing" record and your absentee record of 53 times in the first term and 87 times in the second. NO, Mr. Ring, the voters of the 28th Middlesex District gave you two chances to make good and you didn't. The other half-truths that you published, will be adequately answered before the campaign comes to a close.
